

This diagram illustrates a circular assembly, likely a component of a larger machine. The main body is a large circle labeled 112. In the center of this circle is a smaller circular feature labeled 114, which contains six small circles arranged around a central point. To the left of the center, there is a curved arrow pointing upwards and to the right, labeled 113. Below this arrow is a small rectangular component labeled 115. To the right of the center, there is another curved arrow pointing downwards and to the right, labeled 116. Above this arrow is a small rectangular component labeled 117. At the top of the circle, there is a complex mechanical assembly. This assembly includes a circular component labeled 120, which is connected to a larger, more intricate part labeled 121. This part has several internal features and is surrounded by other components labeled 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 167, 168, 169, 170, 171, 172, 173, 174, 175, 176, 177, 178, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199, 200.
